

Flower Looming Gift Plan MLM Software

Flower Looming Gift Plan works like a rotating structure like a flower. There are normally four levels in this structure which are fire, air, earth and water. Each member will move from outer level to inner level and when he/she enters the 4th level, the member receives a gift from the new users on the first level.

How Does the Flower Looming Gift Plan Work?

This plan's flower structure involves 4 levels. The first outer level is called Fire and it includes 8 slots. The second level is Air which includes 4 slots. The third level is Earth and it involves 2 slots. The fourth and last inner level is Water which has only 1 slot. When a new member joins, he/she enters the Fire level by gifting an amount of money to the member in Water level.

Each week, the member will rotate through each level and he/she will have 4 weeks to reach the 4th level, which is Water level. Upon reaching there, the member will receive a full gift from the 8 members who are on the first level, which is Fire level.
